Dear Friends,

It gives me great pleasure to acknowledge the Michigan Association of School Nurses and the Michigan School Nurse Taskforce's celebration of School Nurse Day. As school nurses, you lead the way by ensuring a healthier and more sustainable future for Michigan's children.

On behalf of the people of Michigan, I extend sincere thanks to all school nurses for supporting the health and educational success of children and youth by providing access to care when children's cognitive development is at its peak. I am confident our state will long reap the rewards of your many positive contributions.

May this day raise awareness for the dedication of school nurses and the importance of a healthy lifestyle for educational achievement. Please accept my very best wishes for a memorable and enjoyable day and for continued success in the years to come.

Sincerely,

A handwritten signature in black ink that reads "Rick Snyder".
